

Lombardi's Restaurant, set at the foothills of the Shawangunk Mountains, serving authentic Italian Cuisine for over 40 years. Paul & Agatha Foti continue a time honored family tradition in the newly remodeled restaurant, using original recipes, all made with only the finest ingredients. At Lombardi's, a variety of homemade pastas are made by hand, the traditional way, which is the secret of Lombardi's famous 11 layer lasagna. All entrees are complimented by freshly baked Italian bread made right in their own kitchen! Enjoy one of their fresh oven baked pizza's on the outdoor patio. Sample the featured wine of the month or choose from their tasteful array of imported, domestic, and local wines.
